OHIO STATE LEAGUE TO CONTINUE AS IN 1913

Eight Teams Will Post \$1,000 Each As Guarantee They Will Finish Season—Play Starts April 29.

(Lexington Herald.)

Representatives from each of the eight Kentucky, Ohio and West Virginia towns that formed the Ohio State League during the season of 1913 met at the Phoenix hotel last night at 8 o'clock and made it known that they would have a team in the league during the coming season of 1914. The meeting was held in the private dining room of the hotel, with R. W. Read, of Columbus, president of the league, presiding. He, together with Joe Carr, also of Columbus, were re-elected to the offices of president and secretary, respectively.

By a unanimous vote it was determined that each club should on or before March 1 post a guarantee of \$1,000 to complete the season. Last season, according to the reports of the officials, was very successful despite the disastrous floods prior to the opening of the season, and for this reason the directors of the organization were very enthusiastic over the prospects that the coming season will be a banner one.

Schedule of 140 Games.

The directors decided that the league's schedule for 1914 should be composed of 140 games, and that the season would start on April 29. The schedule will be made out by "Bobby" Quinn, manager of the Columbus American Association team, and submitted for the approval of the Ohio State League directors at a meeting to be held in Cincinnati some time in March. They also adopted a resolution compelling the league officials for their efficiency in office and the administration of the affairs of the organization during 1913. Those present at the meeting were:

Rev. Father J. J. Schneider, Ironton, Ohio; S. R. Sibel, Chillicothe, Ohio; Thomas Russell and James Summers, Mayville; John DeArnold, Hamilton; W. N. Gableman, Portsmouth; R. P. Pennywit, Charleston; Dr. R. Stern, Huntington; Hogan Yancey and Thos. Sheets, Lexington; R. W. Reed, president, and Joseph F. Carr, secretary, of Columbus.

Scout Doyle is Present.

Peter Childs, manager Portsmouth club, and "Billy" Doyle, of Portsmouth, now doing scout duty for the Cleveland Americans, were also present at the meeting.

It is likely that at the meeting to be held in Cincinnati in March the name of the league will be changed so that it will embrace the word "Kentucky."

It is expected by all interested that during the coming season the Ohio State League will make a name for itself among the minors. All managers of the various clubs have been busy during the winter looking for likely candidates and it is reported that good material has been signed by many of the club managers.

There have been over 300 wagons loads of tobacco brought into the Mayville houses this week and the total receipts this week at the seven houses

The Hunt Sale of Muslin Underwear

is widely known as a synonym for unrivaled values. Never before has its power been so strongly felt. A few months ago cotton took a sensational rise. The tremendous advance was the talk of the business world. Quite naturally, everybody expected to see the finished product, especially muslin underwear, higher than formerly. What has happened? We launch our White Sale with quantities greater, with qualities better, with prices as low as a year ago. We guessed right in regard to the market and bought when manufacturers were willing to sell on the old basis.

It is a well-known fact that in sowing one bushel of clover seed to six acres that an average of 66 clover seeds are sown to every square foot of ground. A DANGEROUS PASTIME.

The boys in the Sixth Ward do not seem to understand that Christmas has passed. For several nights they have been firing off Roman candles and other fire works to the detriment of the property owners. A little interview with the policemen would do no harm, and relieve the minds of the citizens in that ward.

"AMUZO"

Mayville's Young Magician a Comer—To Give 20-Minute Act in Vaudeville.

"Amuzo" Mayville's boy Magician, otherwise and commonly known as Raymond Fletcher Muse, son of Mr. and Mrs. Boyd K. Muse of East Third street, who has become an adept in the black art in these local parts, now has a chance to make good before the public in the world at large.

Raymond leaves this week for Missouri, where he will show 'em how a young unmuzzled Kentuckian can put a few tricks over the silver and velvet like the best of them.

He has signed with "Wilhelm" the great magician, known from sea to sea, for his mastery at tricks of cunning and will put over a 20-minute stunt in vaudeville.

Here's hoping that "Amuzo's" name may soon burst forth in electric letters on the big theaters.
